MORRISTOWN

WEEKLY NEWS

January 18, 2024

Dear St. Peter's,

*"There is a crack in everything, that's how
the light gets in" Leonard Cohen*

We walk together in this season of Epiphany feeling the tension between the darkness in the world and the fulfilled promise of the light of God which overcomes it. It is in our own brokenness that Jesus enters, filling us with light and healing. The space created by the crack is what allows possibility to blossom. When we strive to be perfect we think that a hard shell or veneer will insulate us from the world, forgetting that the ebb and flow of life is what shapes us. May you be reminded this week of the permeation of God's light through the darkness and through your own weaknesses. God will always turn our darkness into light.

*You o God keep my lamp burning
My God turns my darkness into light (Ps.18:28)*

Blessings,

Rev. Anne
